

## American Lincoln Part

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the business as strong and durable machines which meets all the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are available in the market under the brand name "Encore". American Lincoln could supply equipment, parts and warranty service for these types of scrubbers which carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency matter. Recently, this particular floor scrubber model has been utilized by the architects in various construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
