

Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy offering items which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills together with their understanding of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

When required, the employees within TREK and its numerous dealer members in both technical support and parts would be accessible. Among their core values is their high service dedication in their customer service. Keeping their customers' cleaning machinery functioning and ready daily is top priority. The company's top of the line technology delivers reliable equipment which eventually lessens your cleaning expense. The product, the price and the service all work as one so as to make them the leader in the business.
